Ingredients:

Substance Name CAS number

Citronella fragrance NA

Eucalyptus oil NA

Substance Name CAS number

Formaldehyde 67-56-1

Non hazardous Ingredients -to 100% mixture

Health Hazard Information

Inhalation:

Short term exposure: A single prolonged inhalation exposure will not cause adverse effect.

Skin Contact:

Short term exposure: No effect of exposure due to contact.

Long term exposure: May cause irritation or dermatitis in some individuals upon long term contact.

Eye Contact:

Short term exposure: This product can be irritating to the eyes in the diluted form.

Ingestion:

Short term exposure: No hazards anticipated from ingestion incidental to industrial exposure.

First Aid Measures

Inhalation:

Remove to fresh air, seek medical advice if necessary.

Skin contact:

Skin irritation is unlikely, however if an irritation does occur, flush with lukewarm. If in doubt obtain medical advice.

Eye contact:

Flush contaminated eyes with lukewarm, gentle flowing water for 5 minutes or until the product is removed. Obtain medical advice if irritation is painful and lasts more than a few minutes.

Ingestion:

Give plenty of water or milk to drink. Contact a Poisons information Centre or a doctor.
